

ABOUT ME

- I am a positive, enthusiastic and competent Full Stack Developer who, over the years, has built up a diverse range of skills, qualities and attributes, I have extensive experience working both alone and as part of a team on often time-sensitive, challenging web and mobile development projects that require outstanding creative and technical capabilities and the ability to ensure all work is optimized across a wide range of platforms. I take my work as a Web Developer seriously and this means I always ensure my skills are kept up to date within this rapidly changing industry.
